Everyone welcome. There is always some amazing cake available. So come and have a cup of coffee or tea and try the cake if nothing else!

South Warwickshire Local Plan

Thank you to everyone who took the time to comment on the SWLP proposals. During the consultation period, Stratford District Council and Warwick District Council, combined, received 19,367 representations submitted via the online portal from 4,682 respondents. In addition, a further 1,402 submissions were received via email and post. These handwritten and emailed responses are currently being processed, and the final number of representations will be confirmed in the coming weeks. In total, 6,084 individuals and organisations participated in the consultation.

Community Safety: Livestock worrying

Livestock worrying is a particular concern this time of year in our rural community with pregnant ewes and lambs being particularly vulnerable. Under the Dogs (Protection of Livestock) Act 1953, it is a criminal offence for a dog to actively worry livestock and dog owners risk prosecution. Whilst the majority of dog owners do walk their dogs in a responsible manner, unfortunately there are a small minority whose recklessness puts the welfare of other animals at risk. Please remember to keep your dog on a lead at all times in a field with livestock.
If you have livestock and would like a 'Dog on Lead' sign, please
email: ruralwatch@warwickshire.police.uk

We are pleased to introduce a new initiative, as discussed at our last quarterly meeting, aimed at strengthening the relationship between our local police and the community: the Police Engagement Surgery. This initiative will provide residents with the opportunity to meet their local officers, discuss any concerns, seek advice on crime prevention, and work together to improve community safety. Bringing the officers to you.

Ufton Sunday 27th April 2025 (Early)

Further information will be sought about what this means and will be posted on the Ufton Community Facebook page.

From the 14th April there will be additional items that can be recycled:

Changes to your recycling are coming

From the 14th April, we are including plastic bags and wrapping in your existing recycling collections across Stratford-on-Avon District Council. Simply place the empty, clean material with your usual recycling into your recycling bin.

What can I now recycle?

Remember all items should be clean and free of food.

Any excess recycling that you cannot fit in your bin can be placed in a rigid container, cardboard box or clear plastic sack next to your recycling wheeled bin. **Please do not put your recycling items into plastic bags or refuse sacks, as materials need to be separated at the recycling facility.**

Textiles, household batteries and small electrical items can be put into a standard carrier bag and placed next to or on top of your recycling bin.
